Fai Decor è un nuovo effetto decorativo murale ecologico con ossidi e resine naturali in soluzione acquosa. È un prodotto traspirante, ecologico ad alta qualità.

La sua particolare formula tecnologica permette di ricreare l'effetto decorativo dell'arte rinascimentale italiana con un semplice pennello ed una spatola.

Inoltre questa decorazione si abbina perfettamente con i bordi "Free Borders", di conseguenza le stanze, le abitazioni, gli uffici ed ogni tipo di locale sia abitativo che pubblico acquisteranno fascino ed allo stesso tempo avrete un prodotto perfettamente lavabile, non tossico ed estremamente innovativo.

Fai Decor pur essendo un prodotto molto resistente ed applicabile su ogni supporto, non emana odori durante l'applicazione, così potrete decorare anche in locali chiusi e con poca aerazione.

***Fai Decor** is a new decorative effect for walls made of a natural oxides and resins in water emulsion.*

It is a high quality transpiring product.

The particular technologic formulation allows to recreate the decorative effect of Italian "Renaissance" times with a simple brush.

Moreover, this decoration perfectly combines with "Free Borders" (self adhesive varnishable borders) so to consequently make rooms, flats, offices and any kind of rpublic or private, not toxic and extremely innovative.

***Fai Decor** is a high resistant product, easy to apply on any surface, odourless, so to decorate also closed areas.*

BIANCHI
LECCO
